### **CONTRACTOR QUESTIONS AND ANSWERS**

#### **Item #1: For Clarification Only**

**Question:** I have reviewed the fee schedule on the City website but it appears more suitable for building construction and not necessarily a sidewalk project. Any information that you can provide to ensure we adequately cover these fees is appreciated.

**Answer:** The City of Copperas Cove will only require permits and fees for work within private property. This project lies entirely within TxDOT R.O.W.
